Subject: South West Hertfordshire Strategic Housing Market Assessment and Economy Study

Dear James

Tracy has asked me to respond on her behalf via email.

Further to our brief discussion on the issue on Monday, Tracy wishes to thank you for your letter to her on 17 March 2015 behalf of Dacorum, Three Rivers Watford and Hertsmere Councils concerning the South West Herts SHMA and Economy Study. We are pleased to see that you were aware of this Council's approach and co-operation from the email you quote from me of 7 August 2014. St Albans City & District Council have taken the opportunity you set out to reconsider the nature of our involvement in the work in the light of the consultants' findings. We are happy to confirm that we are willing to continue to co-operate, including co-operating with GL Hearn and Regeneris in terms of accessing appropriate information and data sources. We are also happy to continue as part of a 'reference group'. We will not be a commissioning partner.
