APPLICATIONS REGISTERED WEEK ENDING 16/08/2018**

Reference: TP/2018/0389 TPO 1722

Ward: St Stephens

Received: 05/08/2018

Proposal: We have an Oak tree in our back garden which we have had trimmed regularly under advice from SADC to ensure its health and to keep roots away from surrounding house foundations. Our tree surgeon has recommended crown reduction by 2m to ensure its future health and lustrous foliage. Certainly our neighbour across the road had their Oak tree pollarded several years ago and it has continued in spectacular shape and health, which we would like to replicate.
