Hertfordshire Biodiversity Action Plan

Hertfordshire Biodiversity Action Plan was produced by the Hertfordshire Biodiversity Partnership (formerly the Nature Conservation Topic Group of HEF). The Biodiversity Partnership contains representatives from District Councils, the County Council, Natural England, Herts & Middlesex Wildlife Trust, Hertfordshire Biological Records Centre, Farming and Wildlife Advisory Group and a number of other organisations.

The Biodiversity Action Plan is published on the Hertfordshire Environmental Forum website and is available as a web document only. It is available in full at the following web address:
