### Preface Note

Smug Oak Lane, Bricket Wood, St Albans - APP/B1930/W/15/3028110, June 2016

The Appeal is relevant because it relates to a major development on PDL the Green Belt close to Bricket Wood (to the east of the village).

Relevant paragraph, 7.39. Whilst published before the change to paragraph 154g, the Appeal considered the concept of 'encroachment' onto brownfield land which it considered was not "countryside" for the purposes of assessing the third purpose of the Green Belt (143(c)).
