

Only centre lines of ditches & catchpit manhole surveyed. ALL other detail Ordnance Survey Mapping

Blackgreen Wood

NOTES  
 The survey grid has been derived from GPS observations and related to Ordnance Survey National Grid (OSN15). All levels relate to Ordnance Survey datum (GPS).  
 Please note that this is not a full survey but a check to ascertain the direction of flow of the ditches present on site. Only centre lines levels of the ditches were measured to determine the direction of flow.  
 OS data mapping has been used for context.
