Town & Country Planning Act 1990
(as amended by the Planning & Compensation Act 1991)

ENFORCEMENT NOTICE - CHANGE OF USE (NOTICE TWO)

Issued by: St Albans District Council

1. This Notice is issued by the council because it appears to them that there has been a breach of planning control, within paragraph (a) of section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the Notice and the enclosures to which it refers contain important additional information.

2. The Land to Which the Notice Relates

Plot 68 (North), Land Adjacent Bridge Cottages, Sandridgebury Lane, Sandridge St Albans shown edged red on the Notice Plan ('The Land').

3. The Matters Which Appear to Constitute the Breach of Planning

Without planning permission, the material change of use of the Land from agricultural to siting of a mobile home for residential occupation.

4. Reasons For Issuing This Notice

The material change of use has taken place within the last 10 years.

The unauthorised material change of use of the Land from agriculture to open storage represents inappropriate development in the Green Belt, impacting on its openness and thus conflicting with the purposes of including land within it. The Council consider that openness is freedom from development, preventing urban sprawl by keeping land permanently open. It has not been demonstrated that very special circumstances exist that would overcome the in-principle policy objection to open storage in the Green Belt. Consequently, the development conflicts with the National Planning Policy Framework 2023 (13 – Protecting Green Belt Land) and Policy 1 (Metropolitan Green Belt) of the St Albans District Local Plan Review (1994).

It is therefore expedient that enforcement action should be taken against the breaches of planning control that have occurred, having regard to the provisions of the development plan and to other material considerations.

5. What You Are Required to Do

- i. Cease use of the Land for siting of a mobile home
- ii. Remove the mobile home from the Land
- iii. Remove from the Land all foundations, hardstanding, bricks and other materials used to stabilise and access the mobile home
- iv. Remove all materials and items stored on the Land not in connection with the lawful use (agriculture) including, but not limited to all vehicles, waste, water tanks, gas canisters, building materials, machinery, and domestic paraphernalia
- v. Return the Land to agricultural use and restore it to its previous condition of open pasture land.

6. Time for Compliance
